# ABOUT THE ROSE...

The Rose is Fulham's Village Pub.

As well as its relaxed bar area, comfortable seating and lovely gas fire we have a beautiful garden with seating, perfect for summer barbecues, lunches and dinners – or just a quiet drink.

Our garden is full of greenery and cosy corners, making it the perfect place for a celebration.

We serve a variety of beers, wines and cocktails alongside a delicious seasonal selection of meals and snacks all prepared from carefully selected fresh ingredients.

Our lovely, private dining space, The Rose Room, is on the first floor overlooking the garden. Perfect for all occasions, business meetings, birthday parties, weddings, or just a get together with friends and family.

Our team have created a wide range of menu ideas with plenty of options. However, we can always tailor a menu to your liking and we will try our best to accommodate any special requests.

We are conveniently located 5-minute stroll from Fulham Broadway Tube or Imperial Wharf over ground. Meter Parking is usually easy, and we have a 'Boris Bike' station across the road!

Please speak to our General Manager & the management team regarding your event.
